

## Museum of Natural History

**Weekly Buzzz... (August 28 - September 3, 2010)**

**Museum hours are changing** Starting on Tuesday, September 7, we'll be open 10am-5pm Tuesday through Saturday, closed on Sunday & Monday. Bring your family to the Museum this weekend to celebrate the end of summer and to take advantage of the last weekend of the year that we'll be open on both Saturday and Sunday.

### Job Opportunities at the Museum of Natural History

Are you looking for a job? Do you know someone who would be an excellent advocate for the Museum? Or do you know a local college student who is looking for an internship? Spread the word - we're looking for an Executive Director and a Neary Lagoon Intern. You can find the job descriptions on our website:

<http://santacruz museums.org/getinvolved/Employment.htm>

**Our Green Business Certification is complete** The Museum is now a certified member of the Monterey Bay Area Green Business Program. Our thanks to City staff and its partners for their support in our earning this designation. For more information about the process visit:

<http://www.montereybaygreenbusiness.org/>

**WildLIFE Associates Harvest Party** Our Super Summer Saturdays partner is throwing a party on September 26 in Half Moon Bay. You can help support their educational programs by joining them for an afternoon filled with wild animals, pony rides, a pie eating contest, and more. Follow this link to the invitation for more information:
